**-----International Webinar  
on  
Problems faced by Women during COVID-19: Impact,  
Prevention and Mitigation**

Samata Shikshan Sanstha, Pune's Dr. Babasaheb Ambedkar College of Social Work, Morane, Dhule (Maharashtra), organized an International Webinar on 30<sup>th</sup> June 2020 on 'Problems Facing Women during COVID-19: Impact, Prevention and Mitigation' through online platform.

The main purpose of organizing a online International webinar on this burning issue is to show that the epidemic of covid-19 is having a huge impact on every element of the world. Women always are the first victim of all natural disasters, calamities and critical situations. The present Covid-19 pandemic has also created multifold problems for women including rape cases, domestic violence, cyber crimes, etc. So keeping in this view college decided to have an international webinar aiming to address women's problem at international level. The Keynote Speaker of this webinar was Hon. Dr. M.T.R. Shalini Attanayake (Director General-Acting, National Institute of Social Development, Sri Lanka) and the Special Guest Hon. Prof. Mohammad Habibur Rahman (Head of Department. of Sociology & Social Work, The People's University, Bangladesh) , Chief Guest was Hon. Prof. Dr. Keshav Walke (M.S.S. Institute of Social Work, Nagpur), Hon. Prof. Dr. Atul Pratap Singh (Dr. B. R. Ambedkar University, New Delhi), Hon. Adv. Bhupesh Patil, Nagpur High Court (Nagpur) , Hon. Prof. Dr. Jalindar Adsule (Principal, Dr. B.A.C.S.W., Morane) etc. and Hon. Prof. Ushatai Wagh (President, Samata Shikshan Sanstha, Pune) were present on this international webinar.

At the beginning of the webinar, the Principal Dr. Jalindar Adsule gave a welcome and introductory speech. Dr. Adsule warmly welcomed all the participating professors and researchers in the webinar. During the introductory session, he informed the participants about the purpose of organizing the webinar. Asha Workers, women from other sectors and especially women workers

are working in the society in this difficult situation of covid-19. He also told that there was a need to discuss this.

**Keynote Speaker** - Hon. Dr. M.T.R. Shalini Attanayake (Sri Lanka) guides on women in Sri Lanka about the problems that come with covid-19. They have to go through the double stress of domestic and community work. They also appear to have shown willingness to work for society and government, as well as some women taking the initiative to serve. In the "work from home" procedure, they have to go through the struggle of work at home and in the office, she said in her guidance.

The Special Guest of this webinar is Prof. Mohammad Habibur Rahman (Bangladesh) gave detailed guidance on the situation of corona and women in Bangladesh. Corona epidemic continues in total 64 districts of Bangladesh. The whole society is going through a very bad situation. Women are a pre-existing neglected factor in the society. In the current situation of Covid-19, the woman is now the victim of a new crisis like Corona. She has to endure a lot of hardships while taking care of home and office, community work. In any epidemic, women are the first victims. Yet women are bravely tackling all these issues. Because they have more endurance, hard work and ability to digest grief, he expressed his experiences.

The chief guest was Prof. Dr. Keshav Walke (Nagpur) spoke about the problems faced by tribal, rural and urban women during the Corona period. Indigenous women and girls in India faced a wide range of problems during the Corona period. He also asserted that tribal women / girls living in rural and urban areas are facing problems like migration, food, shelter problems, socio-economic issues, lack of knowledge about corona disease, lack of access to healthcare.

While the chief guest Prof. Dr. Atul Pratap Singh (Delhi) spoke about increasing domestic violence in the Corona period. He explained how women had to deal with issues of women employment, women violence and livelihood problems during the Corona period, as well as single mother, widows, frontline worker, police, nurses, prostitutes are more affected during the Covid-19. Women Working in Unorganized sector are facing more problems than the organized sector. He emphasised that most of the women are unskilled. 15 million domestic workers in India. Urban area is more threatened to women. And we need to work for them. Non government organizations should also come forward for

the women in the epidemic situation. He gave most important information available during the webinar.

Also, Adv. Bhupesh Patil, High Court (Nagpur) laid out the Constitution of India and the protection of women. He gave information about the Indian Constitution, Indian Penal Code and the laws for the protection of women and their important provisions as well as the helpline number of the government.

Similarly, the chairman of this webinar, Hon. Prof. Ushatai Wagh concluded this webinar. She expressed her gratitude for the very important discussion and guidance on the current Covid-19 epidemic crisis for women in the webinar. The topic was in line with the current critical situation and the experts were thanked for expressing in-depth thinking experience on each topic.

The webinar was attended by 12,000 professors and researchers through Zoom App and Youtube platform from various countries like Sri Lanka, Bangladesh, Iran, and from India like Maharashtra, Madhya Pradesh, Assam, Punjab, Uttar Pradesh, Uttarakhand and Jammu, etc.

Prof. Meghavee Meshram, Convener of this International Webinar, and Prof. Dr. Gopal Nimbalkar and Prof. Preeti Wahane, Co-convener. All the teachers and teaching staff of the colleges also cooperated for the organization of this International webinar.

**Prof. Meghavee G. Meshram,  
Convener**

**The Program for Primary Prevention of SexualViolence:**

Date: 6<sup>th</sup>October, 2020  
Time:2:00-4:00 PM

**Objective:**

- 1) The Program for Primary Prevention of Sexual Violence is an on-going project in KEM Hospital Research centre Pune, which aims to prevent sexual violence against women and children by deterrence and treatment.
- 2) 'No'is application develop by the project team has a component of providing security to the girl.
- 3) The KEM Hospital wanted to conducted awareness program for college students.

**Actual Program:**

“Women Cell Department” of Dr.BabasahebAmbedkar College of social work and KEM Hospital, Pune was jointly organized **The Program for Primary Prevention of Sexual Violence.**

KEM Hospital Research Centre has initiated a program for primary prevention of sexual violence in the pursuit to prevent child sexual abuse in India since 2016. This program has been translated and adapted from the approach in "Don't offend" that has been successfully treating individuals who have sexual preference towards children.

The event was conducted online. Program was conducted by the expert in the field.The Resource person of the program was Dr.VasudevParlikar,Head of the psychiatry department KEM Hospital Pune. The chairperson of the program was Dr.JalinderAdsule, Principal of the Dr.BabasahebAmbedkarCollege of social work and coordinator of this program was Miss RashmiChabukswar (KEM Hospital Pune) and Pro.PriteeWahane (women cell coordinator).

Dr.VasudevParlikar explained to the college students why they need this program and why they need to be guided.

After this, the president of the program, the principal of the college, Dr.JalindarAdsule Sir guided the students at the conclusion of the program and also praised them for the project started by KEM, Hospitals. IshaGaikwadgive vote of thanks.

**No of participants** - 50 students and 14 staff members

**2. Women's Health and Yoga:**

**Date** -8<sup>th</sup> March 2021
